*As the Wise Men traveled to Bethlehem, we welcome you to travel to **A Night in Bethlehem**. Enjoy this hands-on Holy Land experience. You'll be greeted by the Census Taker. Wander the Little town of Bethlehem and stop at the bakery to make your own bread, then on to the candle shop to make a candle. You'll enjoy your stop at the metal shop to make your own Star of David and then on to the leather shop to make a bracelet. As you continue your visit to Bethlehem you'll find many more shops such as pottery, tefflin, scribe shop, candy shop and the paint shop. Enjoy a camel dog or camel rib at the BBQ. There is much to see, smell, taste, hear and touch on your journey all leading to the special event at the manger. Follow the star and join us for this complimentary community event.
